HANNA STORM

NEW FORM

Forming

new form new
wo uld]
you dare?]

Transforming

newf or m
Come]
] Hardness surrenders do you believe it yet?

Let it grow
Let it grow Does anyone have a key left?

Formed by human refuses to accept human form

I feel like laying it down, as though to rest _____

Why where did you find them where? *walk?*

Why are you so beautiful] still] here?

HEAPS AND PILES]

darkens to light you are the tiniest
she sees you

More
They remain long after you

More than a shiny surface

Open, Open!] hem grazes
Come, Come already!] memory of a perfume kiss bite twist

Cannot say how long

Would you collect more, would you wait a while
would you build from scratch
Would you collect, remember the rejected, lift up from next to you
at night, what do you say?

Would you sand it just enough to keep the figure
and the inklings?

Add a surprise! movement! a question!

It turned into someone's hand _____

They remain long after you

You held each other looked at the landscape green beneath you

The new is already being covered, no monarchs, come!
